Party Toy

My mom is such a slut. She's had a sex toy party right here in our apartment! It was so gross, all those 40-year-old ladies sitting around going nuts over pink dildos and ducky vibrators. But there was one thing good about it.

See, before the party, my mom stashed all the toys in her room and, guess what? I stole one! I totally didn't mean to do it, at first I was just gonna look at the stuff. But then I saw this big dildo that looked just like a cock and I started thinking about what it would feel like to, you know, put it up my pussy. Hey, just 'cause I'm a virgin doesn't mean I don't think about that kind of stuff.

So I took it into my bedroom and tried to stick it up my cunny, but it was so big it wouldn't fit! And it was way tight trying to shove it up there, you know? But, lucky for me, the thing was a vibrator, too, so I turned it on high and put the big, fat head on my clit. Whoa! It was like a lightning bolt or something. It made my little clitty buzz like crazy and so

20233

I started rubbing the dildo round and round. It was totally amazing, nothing like when I do myself with my fingers, and it only took a minute or two before I was cumming all over the place. It was different, too, like my clit was quivering all the way from the inside, you know?

That made me think maybe I should try again with the dildo, so I kind of tickled my hole and pushed a little and then all the sudden the head of the dildo popped right in my pussy! Man, it was so tight! The buzzing was awesome, though, and I don't know why, but it's like the vibrations made my pussy open up or something. I kept pushing and pretty soon I got a little more of it shoved in and then a little more. It took awhile, and I had to squish it in and out to get it all lubed up with my goo, but it worked! In about five minutes I had the whole fat thing wedged up my virgin cunny. And you know what? It felt so good that I came again, just from having a dildo stuck up there. Boy, if this is what real sex feels like I can hardly wait!

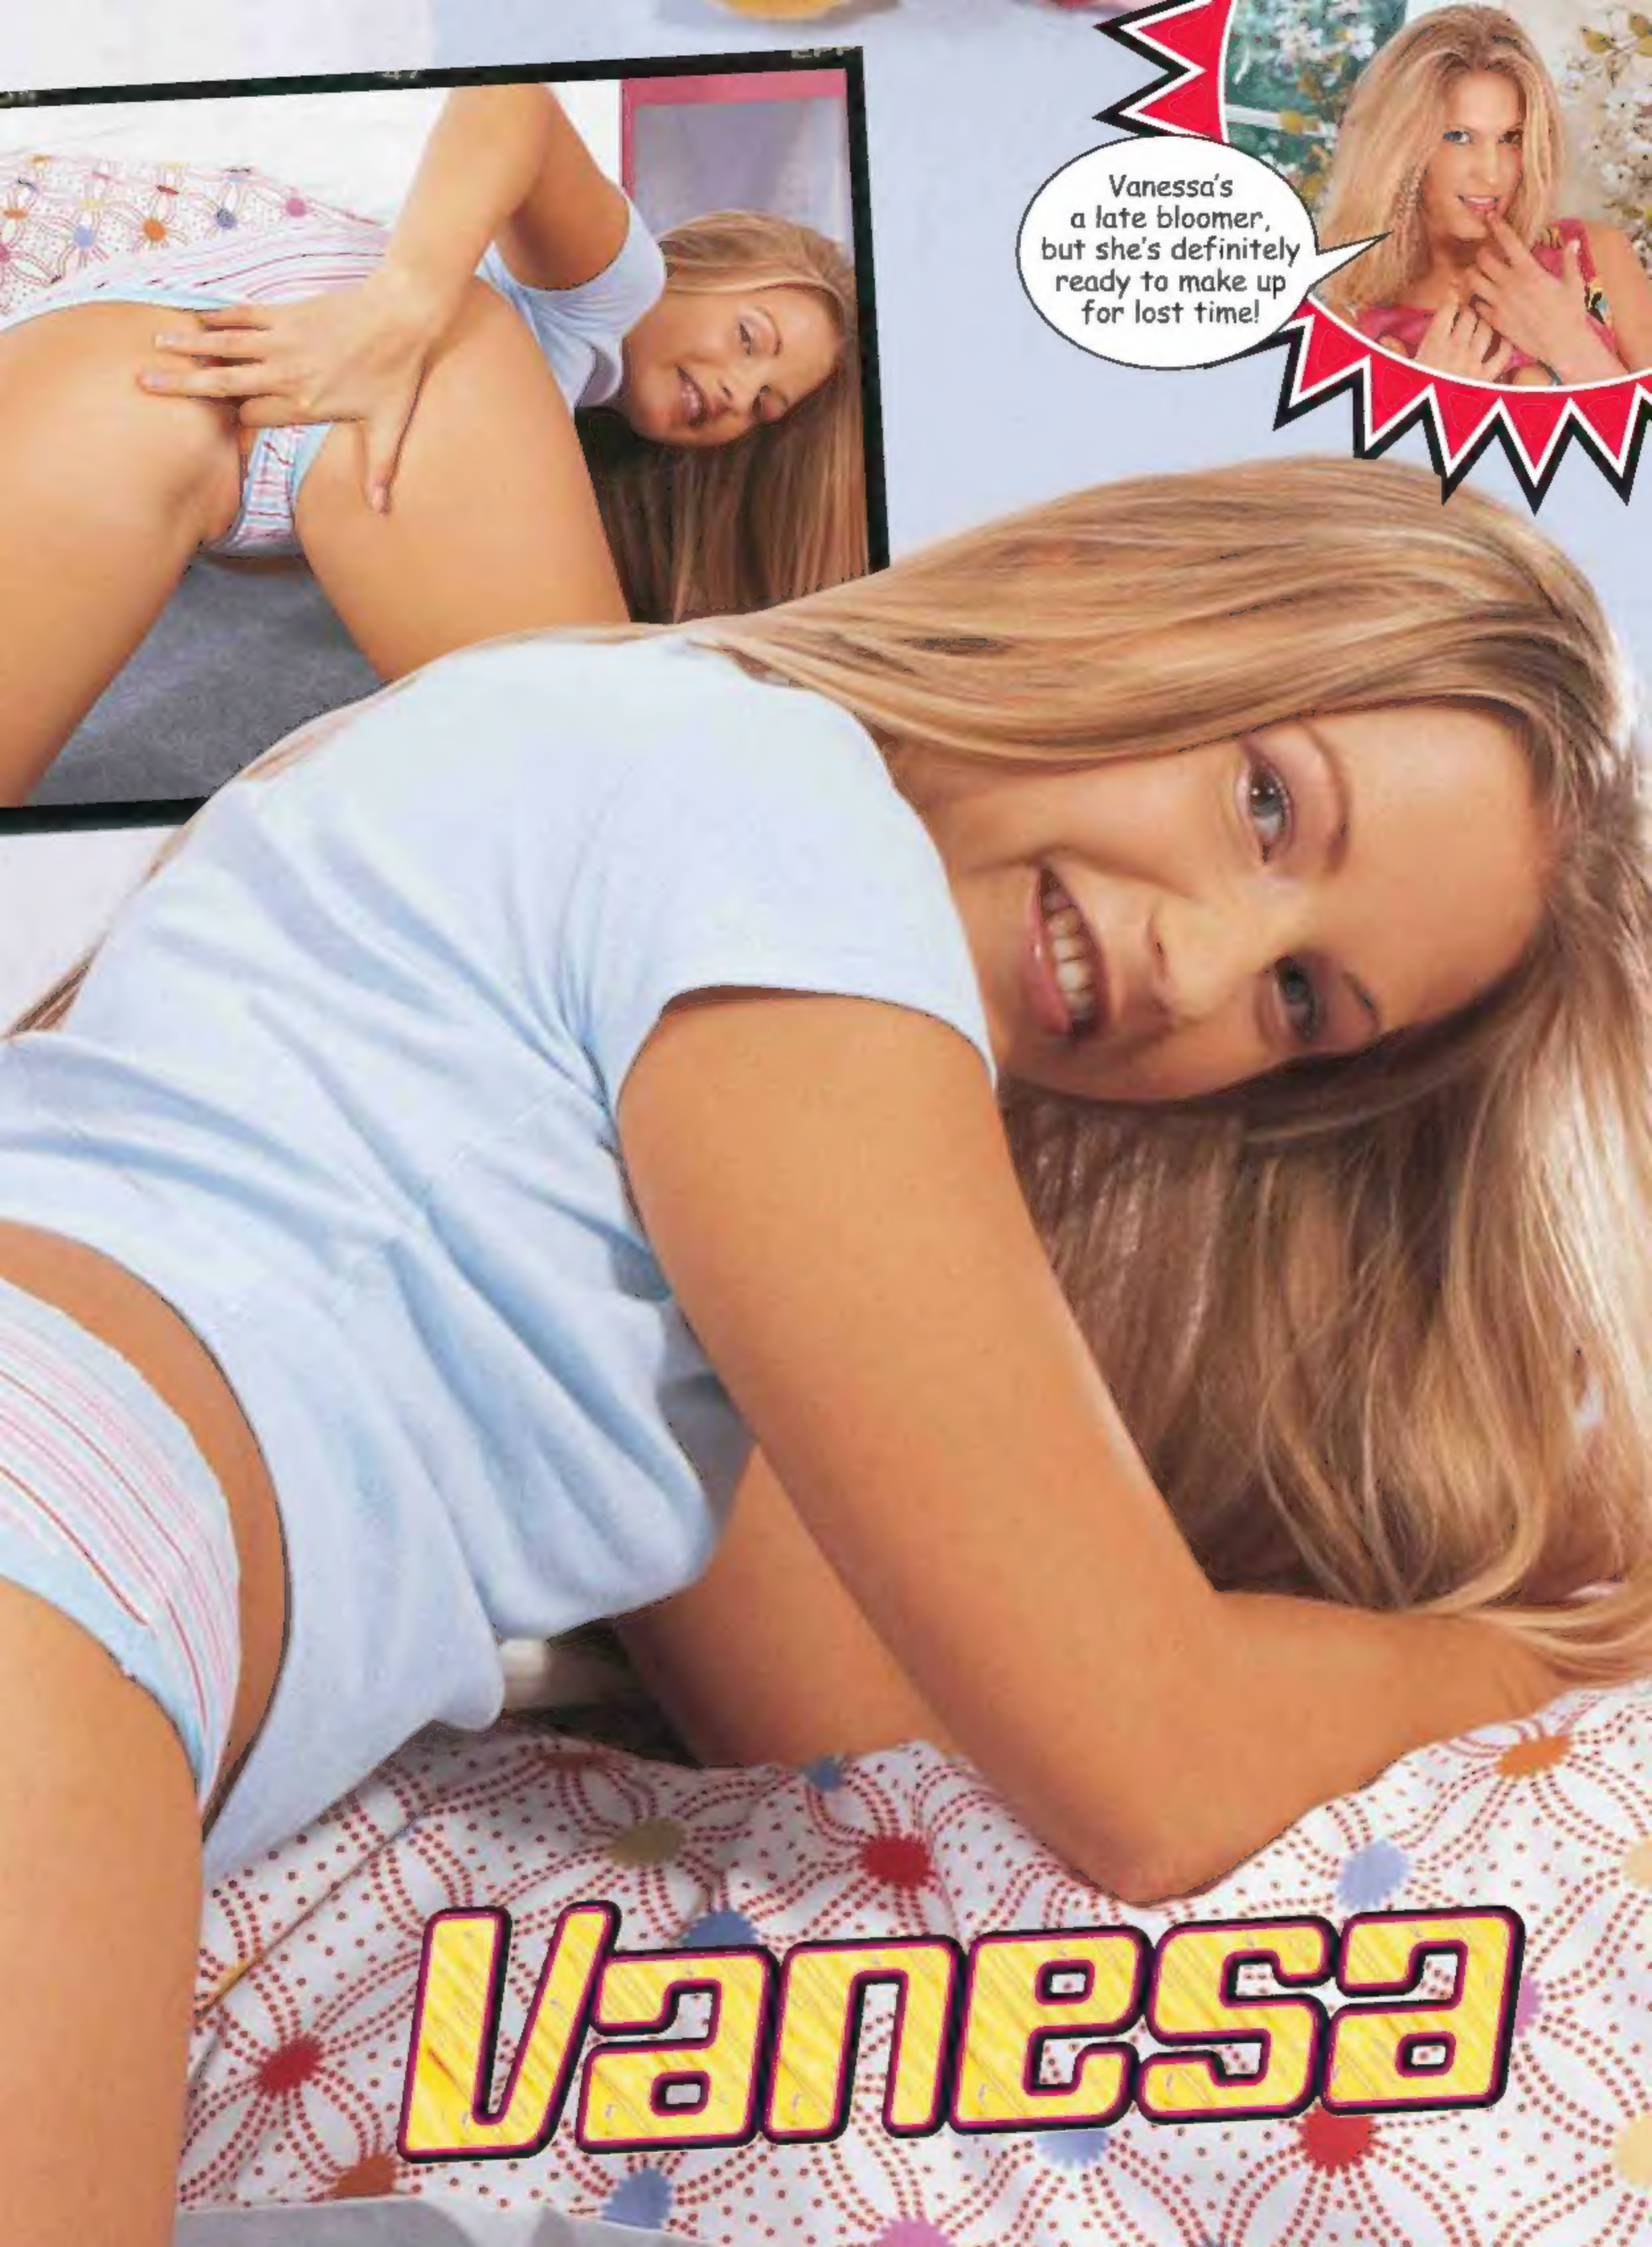

When I was done, though, I kind of freaked. I mean, the dildo was all greased up with my girly juices, it's not like I could put it back in my mom's room. But luckily, when my mom found out it was missing, she never suspected me at all 'cuz I'm a such a "good girl." Ha ha! Now I just gotta make sure she doesn't find it in my room or else she'll know how bad I really am...

(continued on page 27)

You're totally going to think I'm a dweeb, but I just got my first boyfriend and I am so excited! I always felt like such a loser because nobody even asked me out until my senior year. But now I have a guy who likes me! It's only been a week but Nate and I are practically going together, and we've even done some sex stuff. Like, I jacked him off in the car last night when he took me home, which was totally weird. All spoozy and stuff. But he loved it and so I told them that next time maybe I'll suck him. Ha ha, just thinking about that made him all hard again so I know for sure that he likes me! Yay!

Vanessa's a late bloomer, but she's definitely ready to make up for lost time!

Wet dream,
I mean!

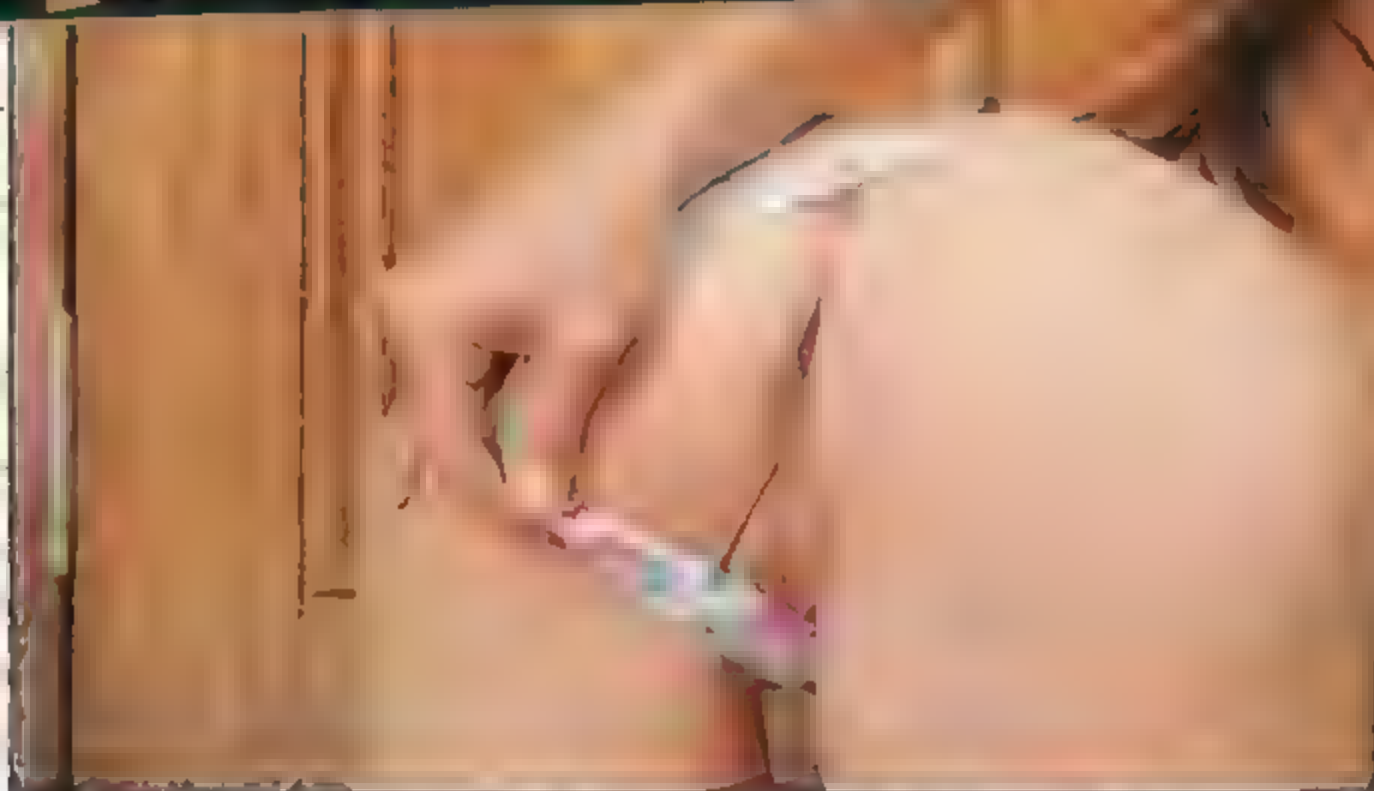

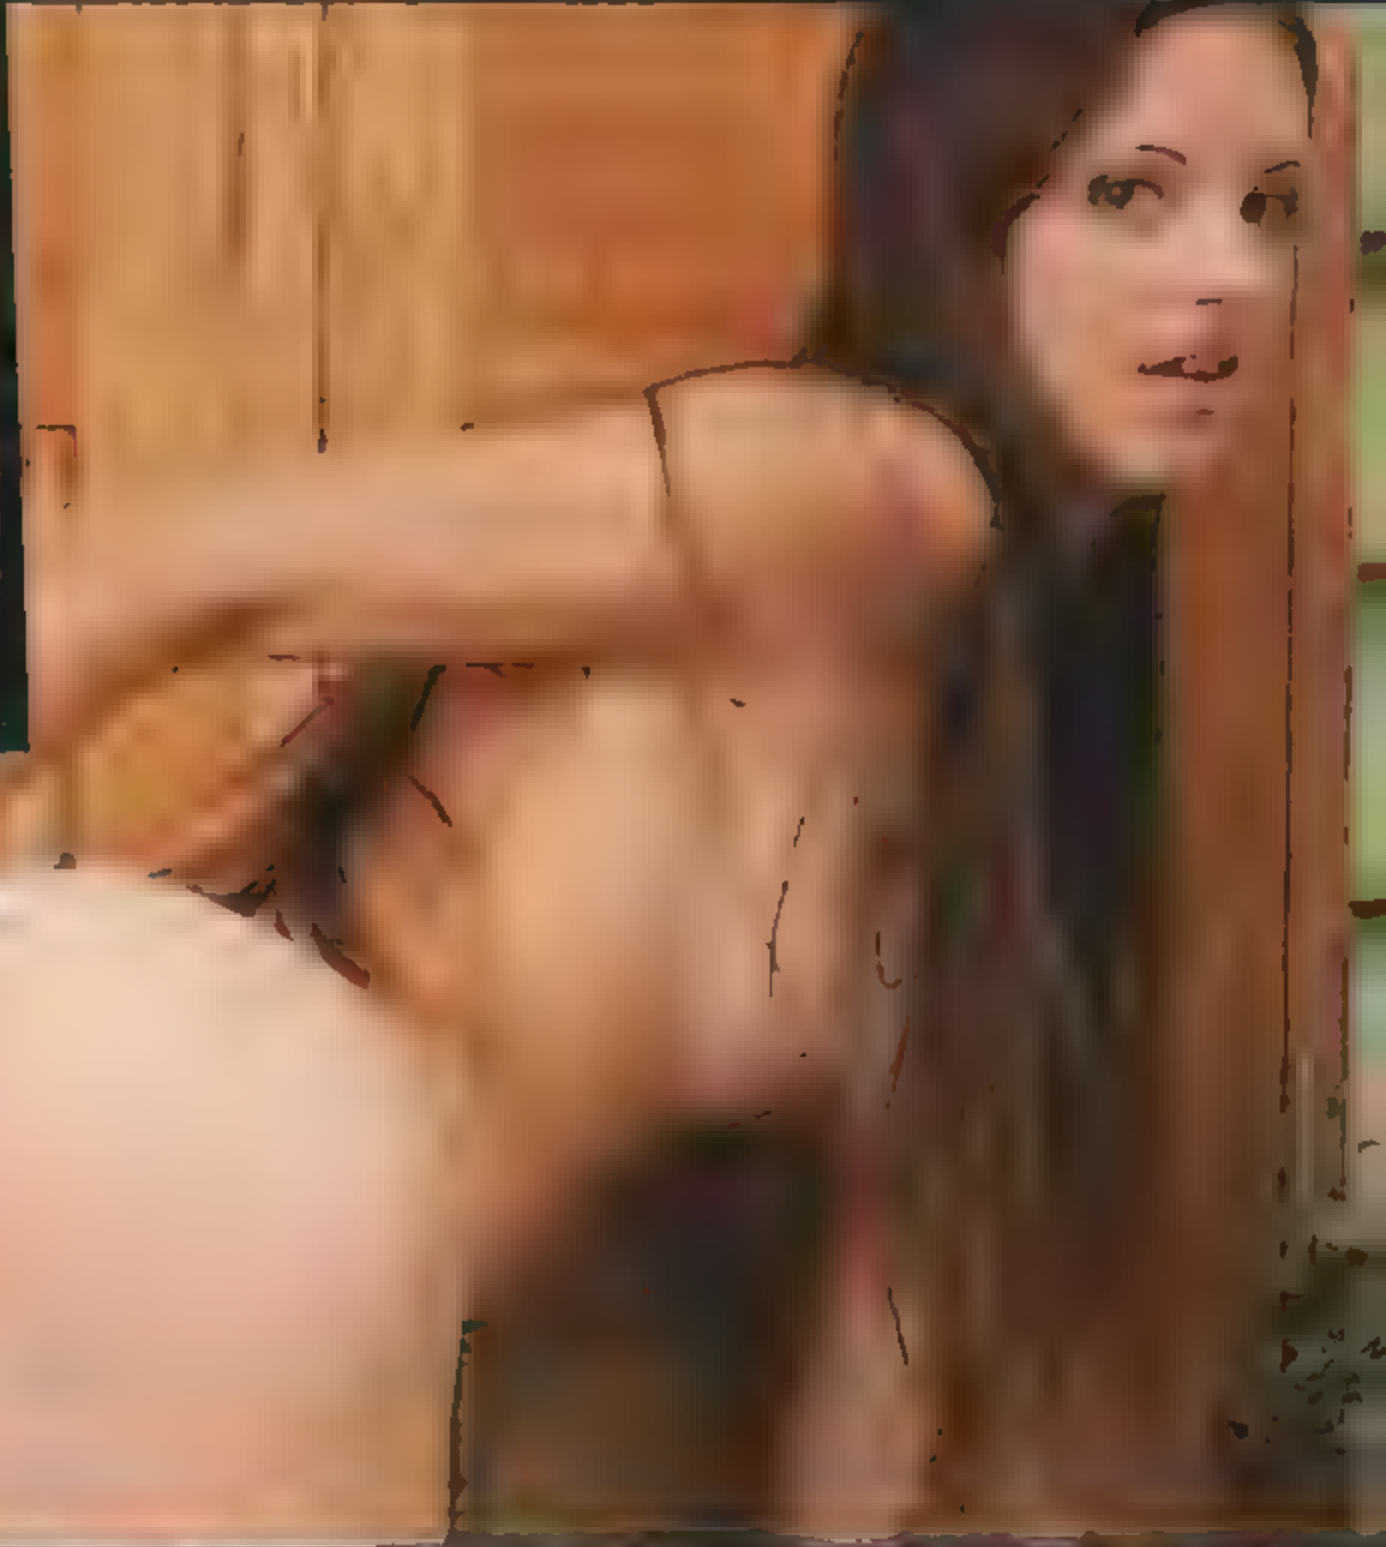

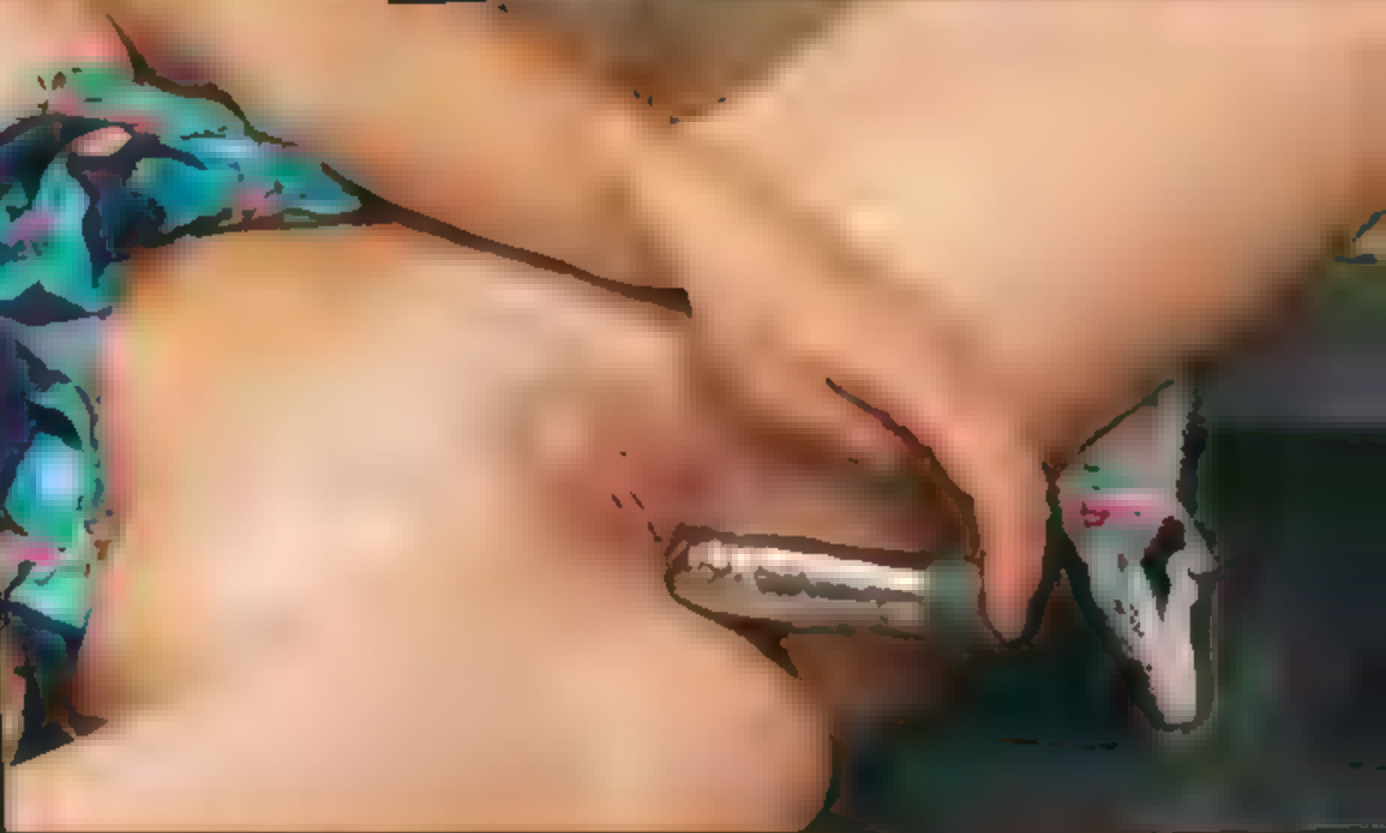

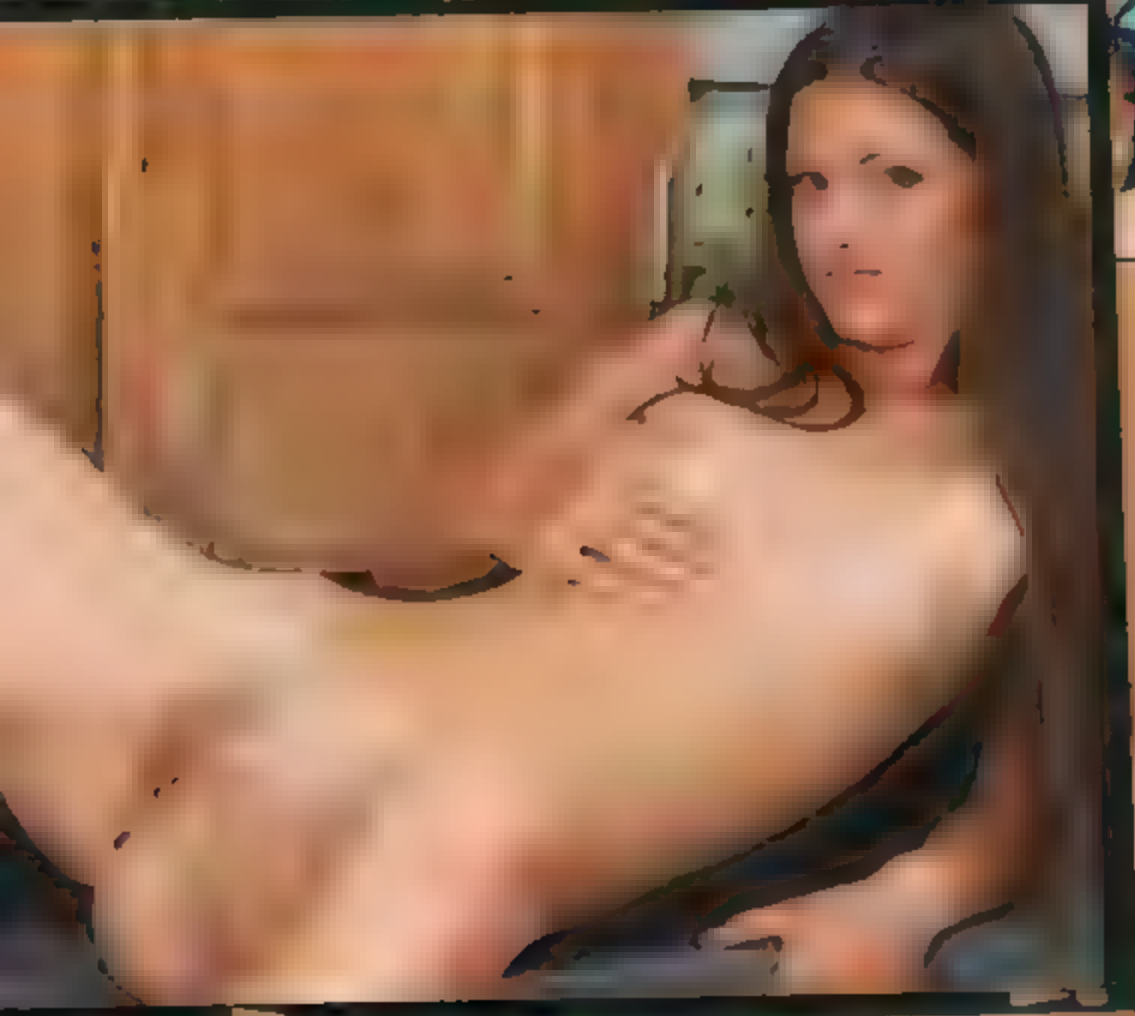

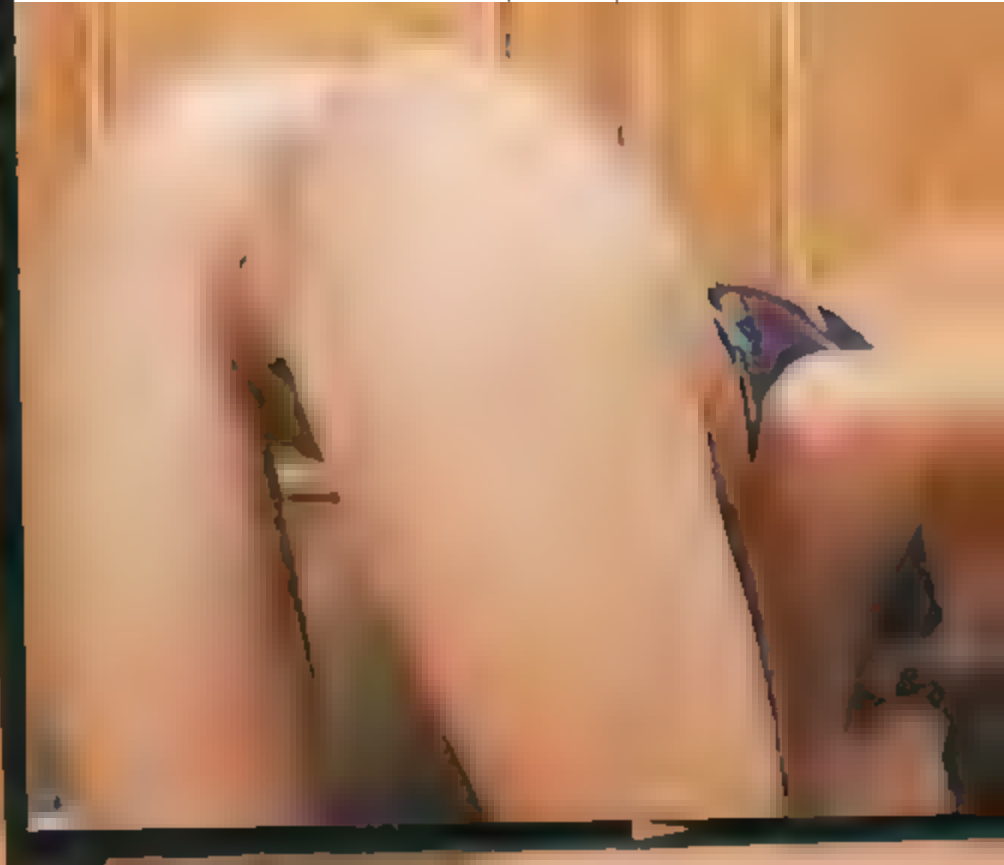

What do you think? Do I look like a slut? Everybody at school totally thinks I am, I guess because I like to wear really short skirts and I dig tight t-shirts that show off my titties. And, okay, I did do it with Tony Nelson under the bleachers that once. Plus I sucked off Kyle in the guys' bathroom on his birthday, kind of like as a present, you know? And I let Billy do it up my butt when we were at this kegger, but that's totally not my fault, I mean, I was drunk! So I guess maybe there's a reason people think I'm slutty, but who the fuck cares? I love getting guys off and I'm gonna keep doing it!

Famous Fuck

I always desired that the guy who popped my cherry would be special, like he'd be my boyfriend and would be in love and it would be all romantic. Well, it turns out the guy who did me is even more special than that. He's famous. Like, they play his songs on the radio all the time. I'm not gonna label this name, cause I'm more grown up than that, but I will tell you all about how "J" and me did it.

See, I was right up front at his show and I was, like, nervous. I mean, he was singing this song about making it with some girl and I thought for sure he was talking about me. And guess what? He was, cause when the show was over, the bouncer came up and told me to go backstage. Omigosh! I was so scared. I totally didn't know what to say or how to act. But it didn't matter, because J just started kissing on me as soon as I walked into his dressing room.

Before I knew it, we were making out on this ratty old couch, his hand was down my panties and he was rubbing on my hole!

"Don't worry, he's not weird," he said then, and I was so relieved. I like he totally knew that I was a virgin and the difference did it make? Well, I was so ready to give sex!

So I just relaxed, spread my legs and grabbed his dick, which was already sticking out of his pants. Then, he just put it smack dab on my pussy, just like I was a little girl. But I was not a first 'cause he poked a little and he wouldn't get it in. Man, I almost started crying right then and there, I mean, talk about the stupidest girl on the planet. Then he shoved real hard, though, and all of a sudden, his dick was inside! Yay!

"Damn girl, you got the tightest cunt ever," he said, which made me feel totally good because I knew I had totally ticked, like, a million girls, and my ass was telling.

So of course, when he pulled the whole thing out, it was really hard. I think I passed out after that. It felt all warm and gushy and wicked good. And anyway, he started fucking me hard, like he was so horny he couldn't wait to get off and I was so special 'cause I was doing it with this major famous guy and he was totally liking it. I mean, it only took a coupla minutes and he was going insane!

He was grinning like crazy by the time he was done and then he told me I was an "awesome" lay.

Me, little miss virgin. I mean ex virgin. Is an awesome lay! And the best part? I went back the next night and he got me into the club five, plus we did it again, twice.

Senior Scrapbook

Just lemme just rub it on your pussy, baby," said Tommy, his voice all sweet. "I promise I won't put it in, okay?"

Yeah, duh! I mean, no way was I gonna let Tommy poke me and he knew it. After all, he'd been begging me to put out for, like, months and every time I told him I wouldn't.

See, I did that whole promise thing with my parents where they give you this ring and you swear you won't do it 'till you're married and all. I know it's totally lame, but my folks are super religious and they pretty much made me do it.

But hey, they never said anything about letting a guy rub on you with his dick, which is what Tommy had been doing that day for, like, a half hour! He'd started by putting it on my belly and it was so soft and smooth that pretty soon I let him slide it all over my titties. Whoeee, my little baby rips got so hard when he did that! That made him all horny, and his dick started drooling, which was kind of yucky, but kind of hot, too, you know? I mean, just knowing that he was getting all excited from rubbing on my titties made me feel real good.

Like, okay-go-ahead-and-take-my-panties-off-and-play-with-my-clitty good! Yeah, I know it's dirty, but hey, my parents never said anything about that, either! And damn, Tommy's a good diddler, I mean, he knows just how to find my sweet spot with his fingers and pretty soon he had me squirming all over the bed like a little slut. I mean, he was swirling his finger in my hole and getting it all wet and stuff and

then rubbing my clit back and forth. Plus his dick was still rubbing up against me and that was making me totally hot, too. So, even though I knew I wasn't gonna let him put it up me, still I couldn't help but think about how it might feel, you know, with my pussy all stretched out and that fat thing filling me up

— So I guess that's why I told him okay when he asked if he could rub his wanker on my slit. I figured it wouldn't be that big a deal if he just kind of slid it over my pussy lips and all. Like, it wasn't really any different than his fingers, right?

But, oh man, it sure felt different! All soft and warm and hard and

totally hot, if you know what I mean. And it felt even better when his dick split open my pussy lips and was sliding over my clit. Only it was embarrassing, too, 'cause my pussy was so wet, the gunk was getting all over him. It was like, coating his dick and my clit and everything, how gross! But awesome, too. Weird, huh? That having a slick dick rubbing on your clit would feel so good. I mean, pretty soon I was getting all quivery and squirmy again, I even had my hands down there so I could open up my pussy lips even wider!

Tommy was totally into it, too. He had his eyes closed and he was grunting and groaning like he was fucking me for real. Not that I would know, but my friends say that's how guys act when they're doing you, all intense and stuff, and Tommy was way into it, that's for sure.

Pretty soon he was rubbing his dick all the way from my sopping wet hole to my clit. I mean, he was so close to my cunny I could feel that big fat head of his kind of pushing against my hole.

"You are totally not getting in there, Tommy Jones!" I told him, even though his cock felt awesome tickling my cunny.

"I know, baby," he said, only his voice was all tight and weird, "I won't do it, but damn, you feel good, girl!"

He kept rubbing, though, sliding his whole dick up and down my greasy slit like I was a banana split, and I was totally getting off on it, but then, holy shit, he started poking at my butt! Talk about gross! Like, if I'm not gonna open up my pussy for you, I sure not gonna let you in my asshole, dude!

"You just make me so horny, Tina," he said, all sorry-like, when I yelled at him. "I mean you're so fucking hot that I can't help but wanna do it, you know?"

Well, okay, that made me feel better, I mean, it's pretty cool when your boyfriend thinks you're hot.

"Besides," he said, and reached down to kind of tickle my butt hole with his fingers. "Doesn't it feel good?"

No way! I wanted to say. But I couldn't say that because, you know what? It did feel good, in this kind of naughty, really bad girl way. Like, *really* good. Especially when he slicked up his fingers with my pussy juice and popped a finger up my butt hole. I know, how disgusting! But it was weird, it felt almost better than when he fingered my pussy hole, like all tight and squeazy and stuff. And when he started kind of wiggling his finger around, well, it made my clitty get all swollen. So, kind of before I knew it, he stuck his whole finger up my butt and I didn't stop him!

I knew it was bad and gross and yucky and everything but I sure didn't feel yucky,

that's for sure. Instead, I felt all slutty and way hornier than I'd been before when we'd make out. So, can you believe it? I let him stick another finger up there and when he started pushing 'em in and out like he was fucking me, well, I totally forgot about how nasty it was. I mean, my pussy was gushing all over his hand and his fingers were making all these squishy noises while he did my butthole and I didn't even care, all I cared about was how good it felt.

"You know," he said, when I was squirming so hard I was about to fall off the bed "if you let me do it up your butt, you'd still be a virgin."

Whoa, that flipped me out! Mainly 'cause I knew he was right. I mean, sex is about doing it in the pussy and making babies and all, nobody ever said anything about buttholes. So even though I knew it was nasty and that my parents would be totally pissed off if they found out, I also knew that if I let Tommy stick it in my ass, I wouldn't be breaking my promise. Talk about a sweet deal!

Man, you should've seen Tommy when I said okay and got up on my hands and knees like a damn doggy 'ho. I mean, he was so flipped out and happy that I swear his dick got about twice as big. Which kind of freaked me out, seeing as how he was gonna be putting that huge thing up my butt. Shit, I thought, no way is this gonna work! But then he was rubbing on my opened butthole, his dick all greased up from my juice, and I decided I didn't care how fat his wanker was, it was gonna go up my ass.

I kind of wiggled my cheeks at him while he grabbed on and started rubbing his wet head all over my butthole, kind of pushing a little every time. And then, holy shit, that big fat head of his was buned up my butt! Wow! It was tight for about a second. But then it totally didn't feel weird—instead it was like the best thing ever. Better than Tommy's fingers, that's for sure. Even though my butthole was all filled up to the max and I was worried that Tommy would think I looked all gross, it felt awesome. So I wiggled some more and sure enough, more of his dick slid right in.

He was, like, going crazy, telling me that his dick was on fire and that my ass felt like it was gonna eat him up. He was way more excited than the time I sucked him off in the car or the times I'd let him do my clit. I mean, he was, like, slobbering all over me. And the whole time he kept pushing against me, so that his fat dick was going deeper and deeper into my butt. All the sudden he grunted and, whoa, he was all the way in! I mean I could feel his balls tickling my wet cunny and everything.

My ass felt like it was gonna bust wide open but it totally didn't hurt, as a matter of fact, it felt so good that I wanted more.

"Damn it, Tommy," I said, acting all pissed off-like, even though I wasn't. "Do me!"

Tommy kind of giggled 'cause I was talking so dirty and started to pull that big wanker out. Man, it felt almost as good going out as it did going in! Only by the time he'd got the whole thing out, it was like I was jonesing for it again, you know? So, what the hell, I scooted my butt back real fast and all the sudden his dick was wedged back up inside me. Tommy was freaking by then, but in a good way, telling me what an awesome ass I had and stuff. And since he knew that I wanted it bad he started fucking me for real, shoving his fat schlong in and out of my butt like I was the biggest 'ho on earth. I mean, his fat balls were slapping on my pussy and making all these squishy noises and Tommy was grunting like a pig. 'Course, I was probably squealing, too, 'cause I had my fingers on my clitty while he fucked me and it was the awesomest ever. Like I always figured sex would feel only way better.

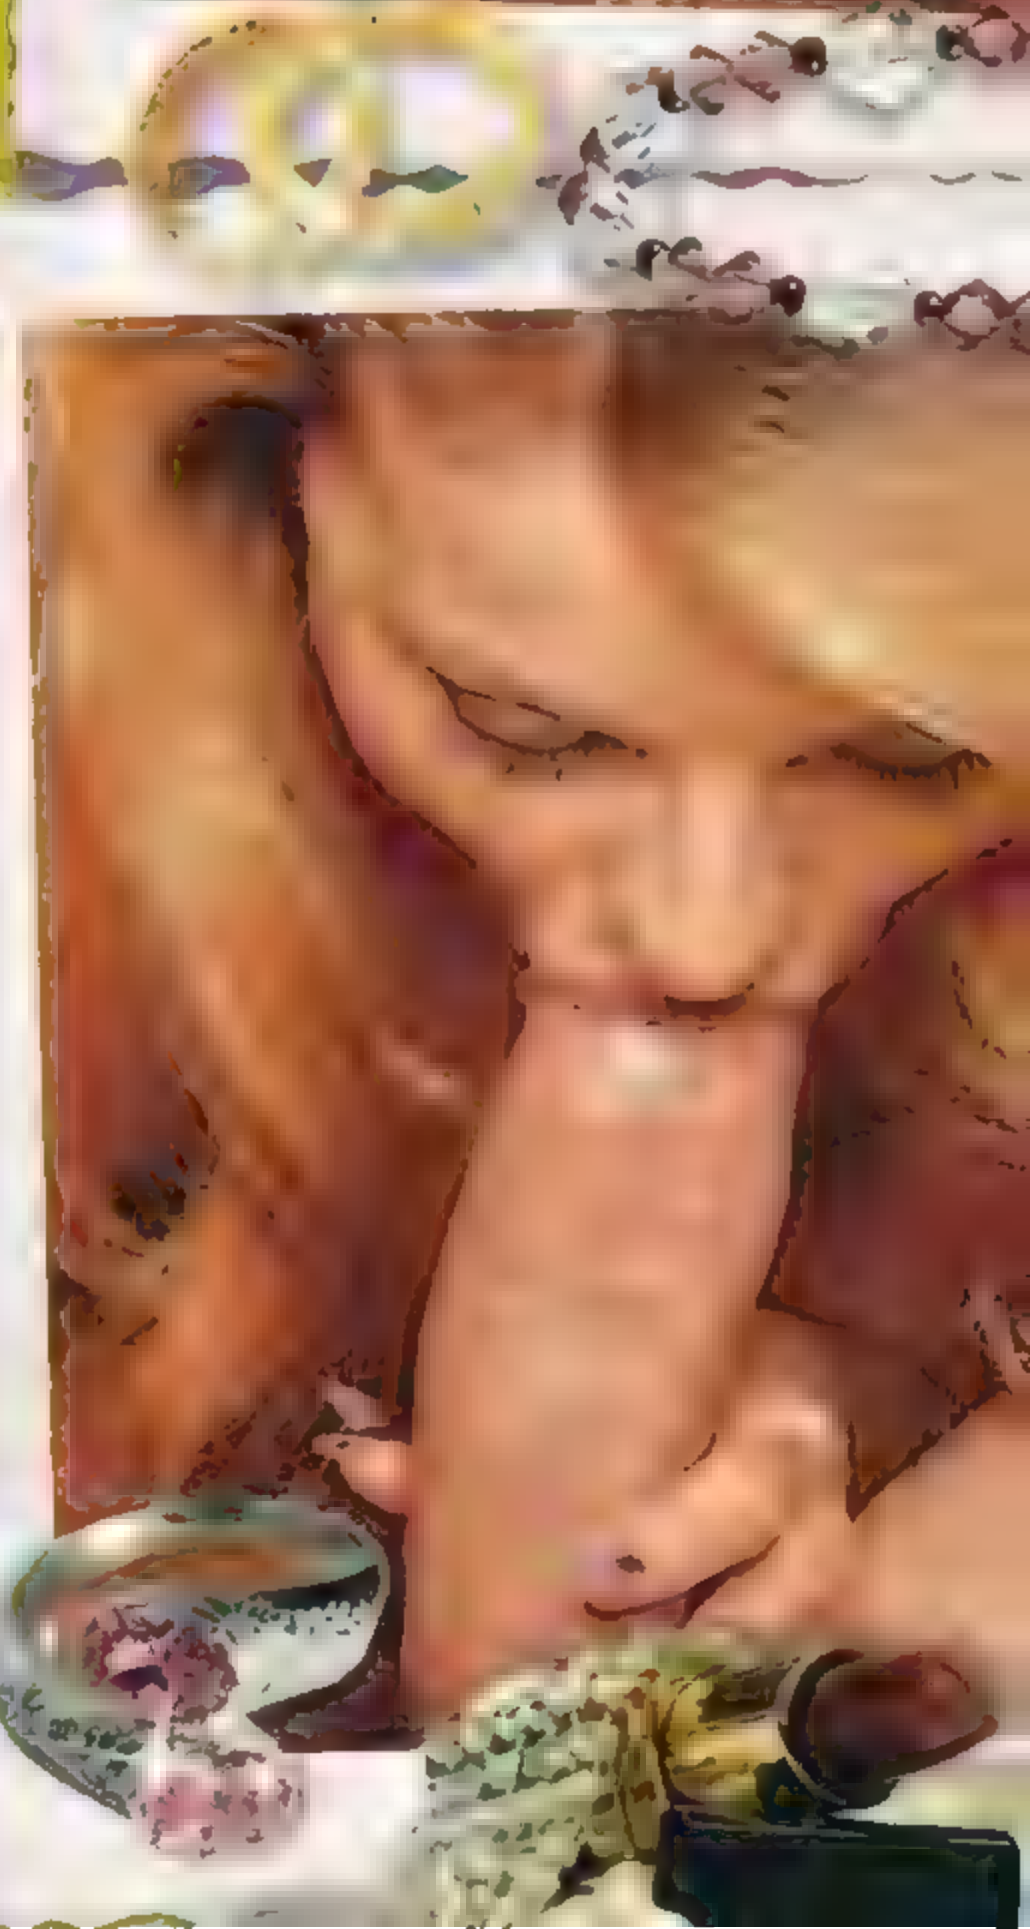

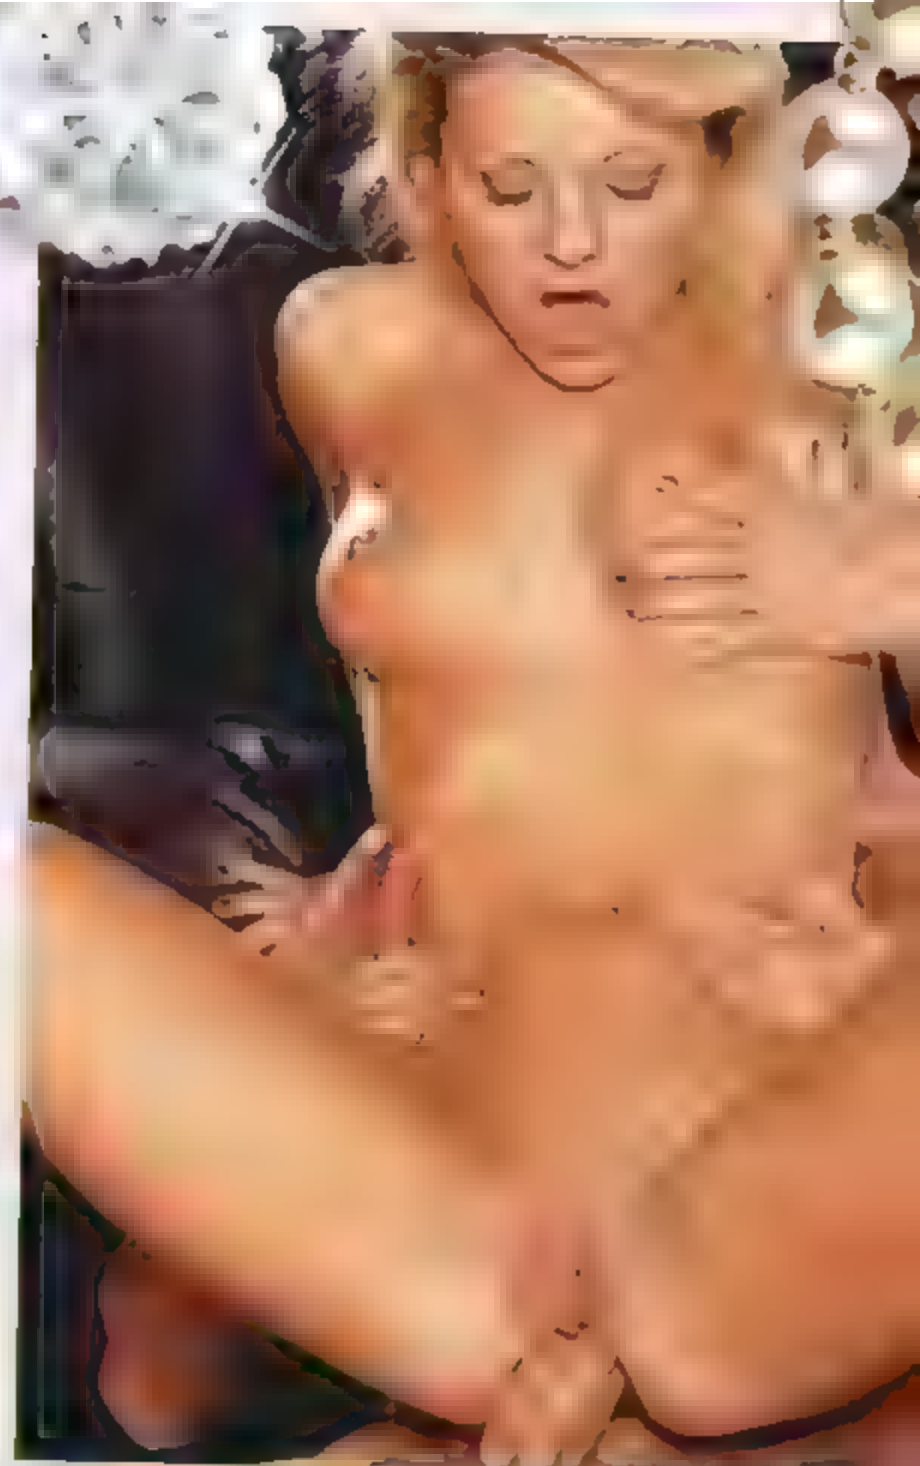

"Fucking-A," Tommy said, while he did me. "You got one tight asshole, baby!"

That made me feel good, too, since that meant he didn't think doing it up my ass was gross; he liked it! I kind of squeezed my butt while he was pumping and he groaned some more and I knew he was about ready to pop. I started rubbing on my clitty even harder while he slammed me and pretty soon my pussy was gushing like crazy and I was cumming all over the place. But man, it was weird, it wasn't like when I usually cum. With Tommy's dick pumping in and out of my butt, it felt like my clit and pussy and ass were all on fire at once and I just kept cumming and cumming, it's like I couldn't stop.

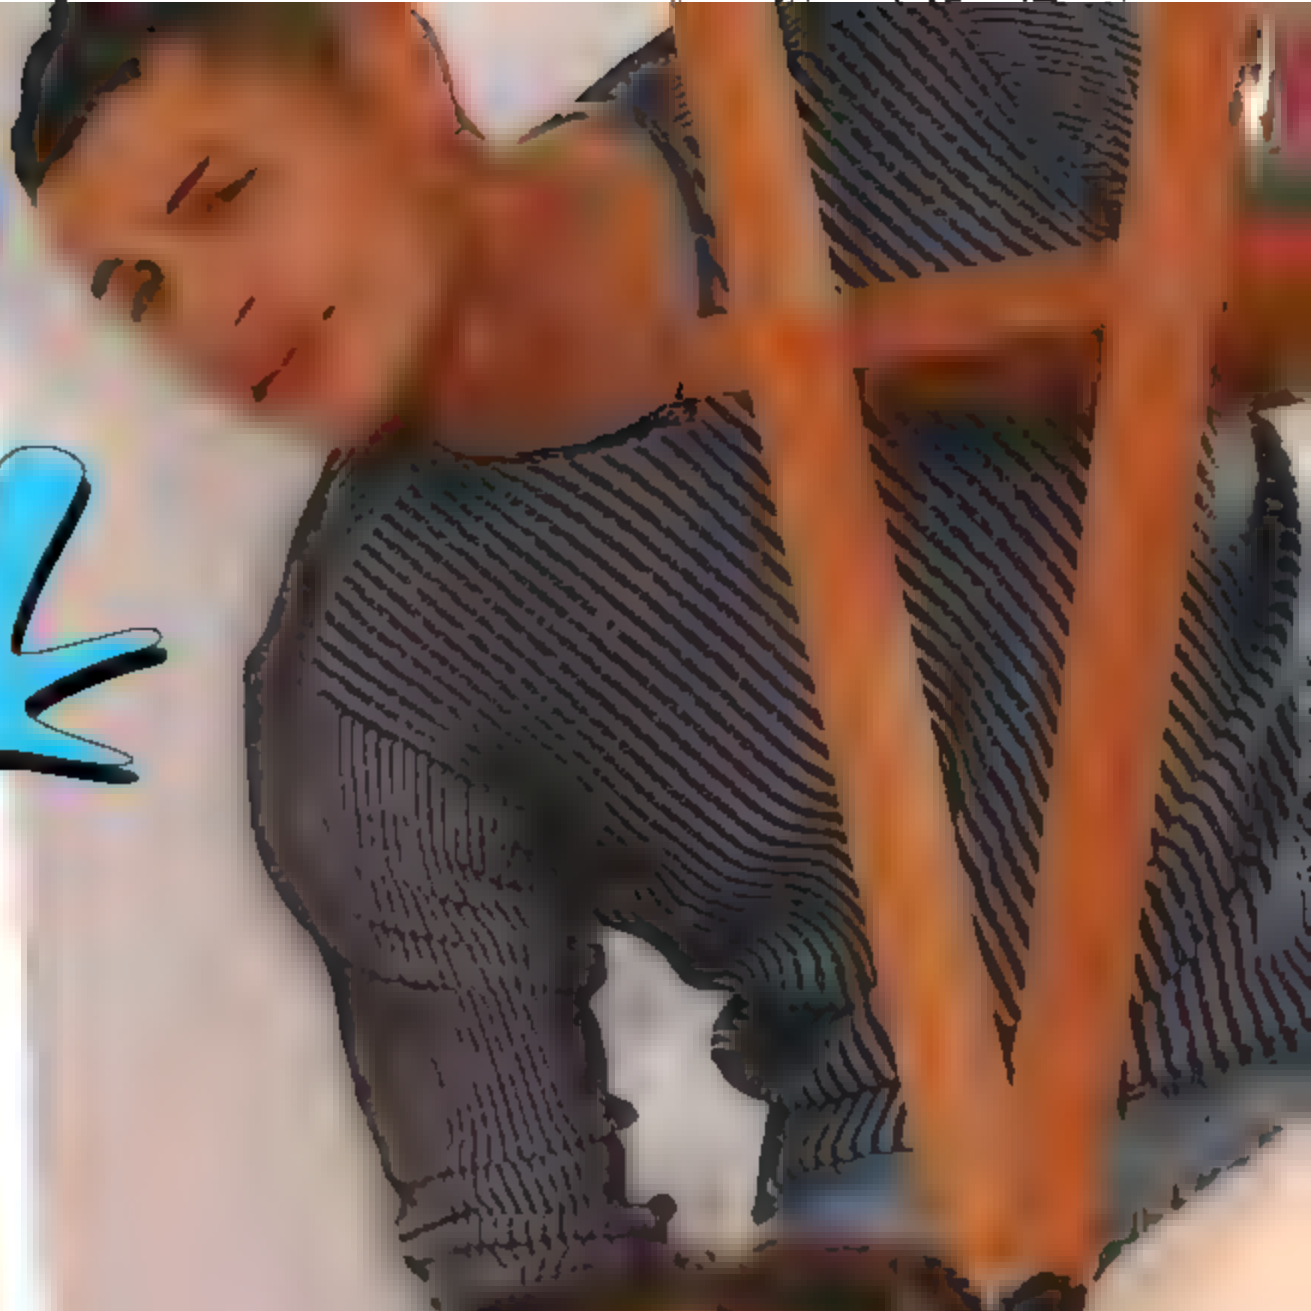

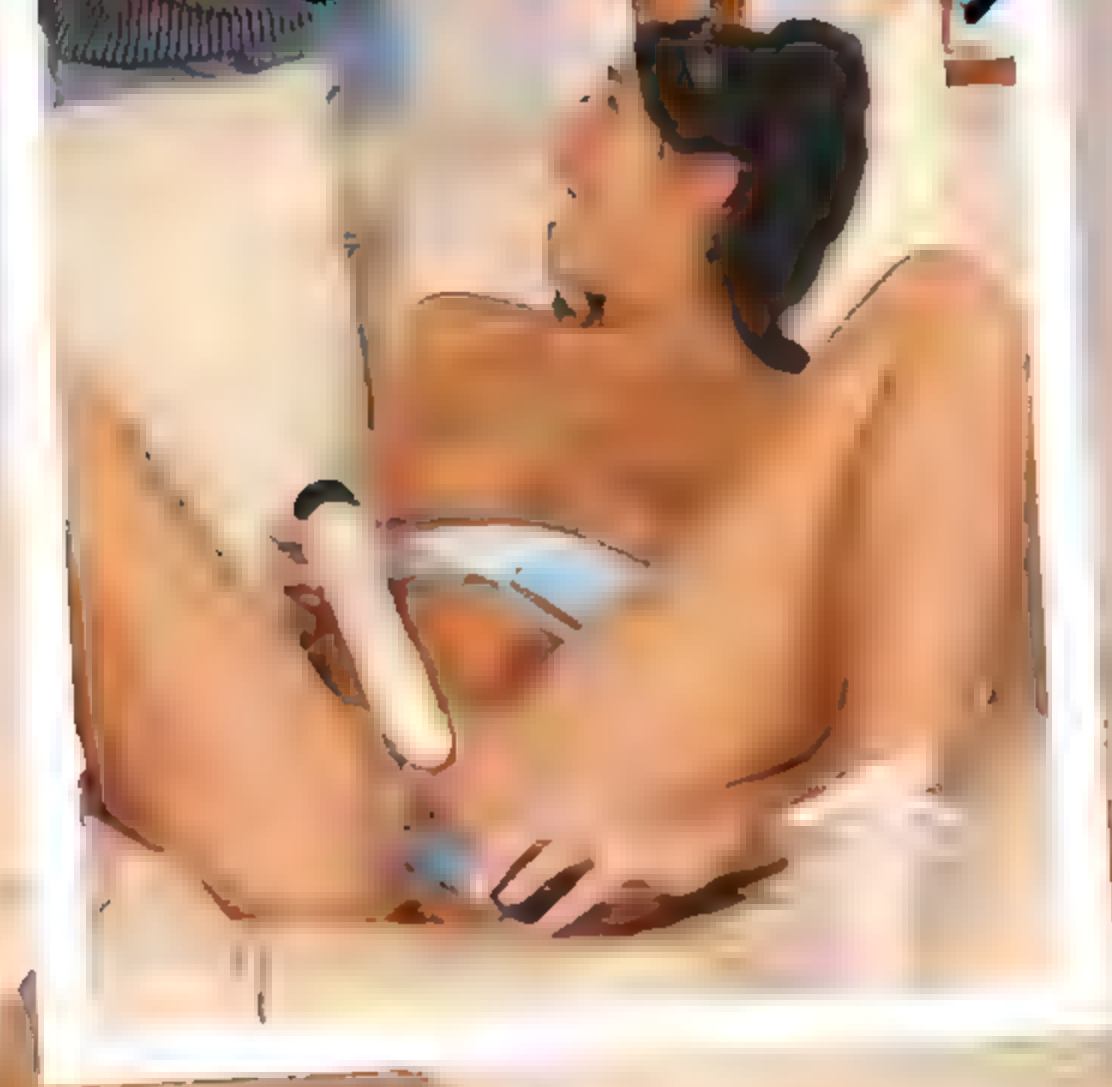

Especially when he started blowing, too. I mean, he hollered like his dick was about to explode and then I could feel him squirting all up inside my ass. Plus he was slamming away like he couldn't get enough, so I kept clenching hard until he was finally all done and I'd squeezed about a whole gallon of jizz out of him. By the time he pulled his dong out of my butt, it was drooling all over the place. But I didn't even care, 'cause not only did I feel all soft and squishy and warm inside, I hadn't broken my promise, I was still virgin!

Okay, so I'm not about to tell my parents what I did. I mean, they'd totally freak and send me away to some school for bad girls or something, but hey, I didn't do anything wrong.

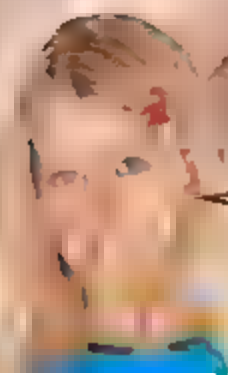

And, best of all, since it's my butt and not my pussy, Tommy can do me again and again and I'll still be a virgin. I think that's a pretty good way to keep a promise, don't you?! 🍆

of 'em!

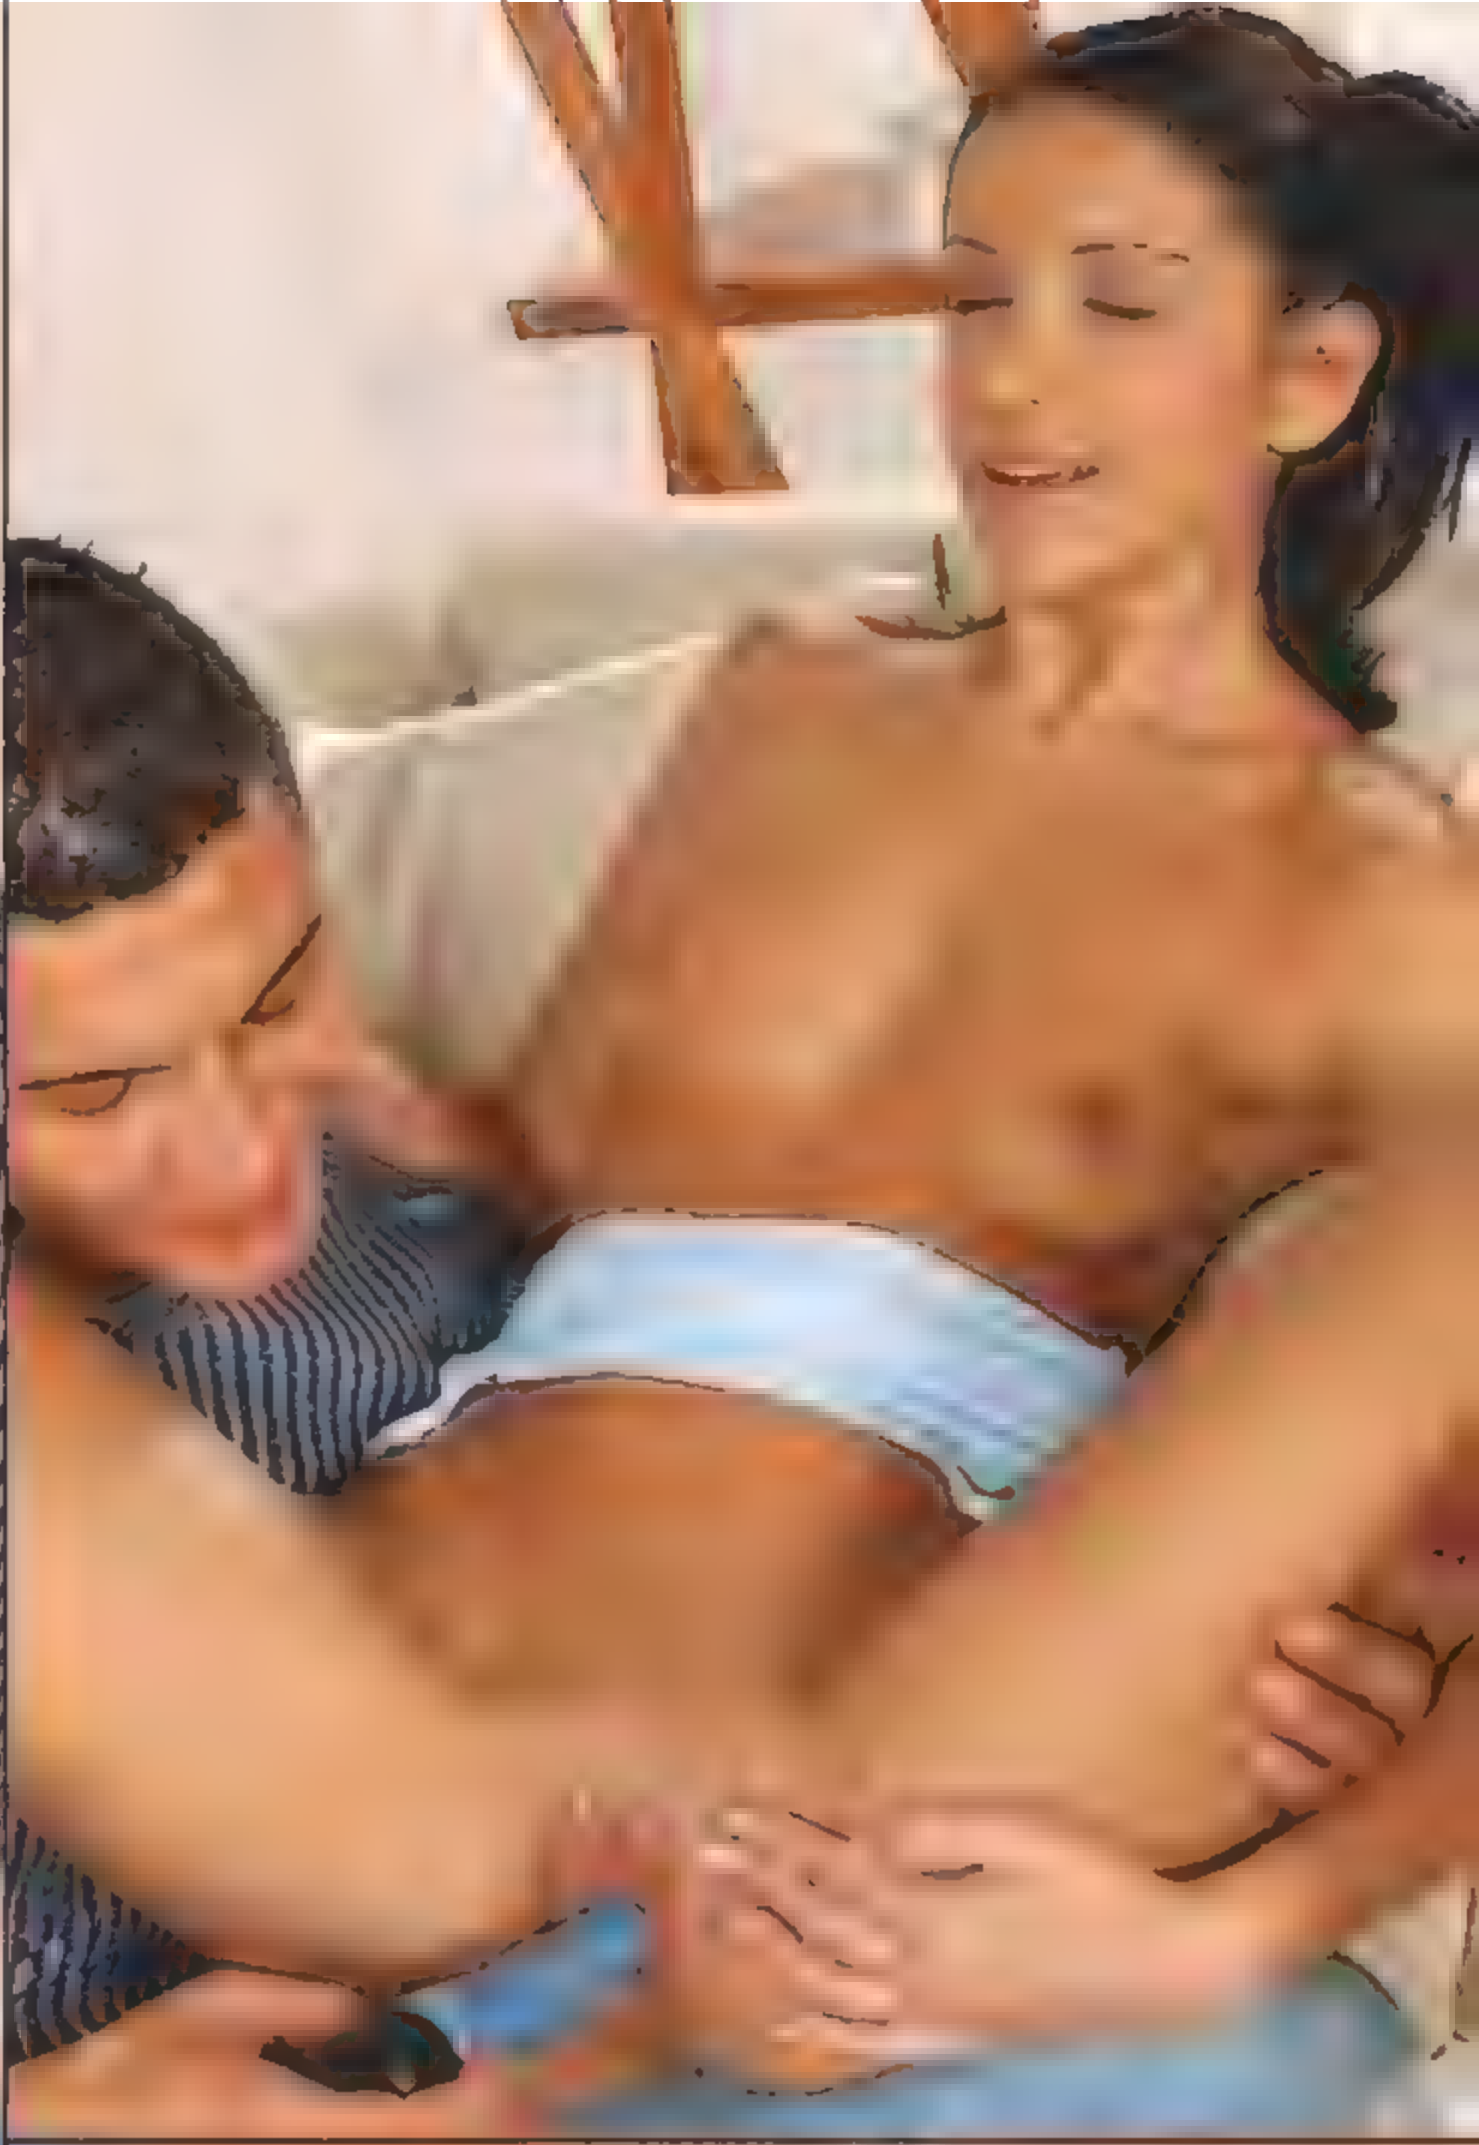

Ckay, so maybe I'm old-fashioned, but nobody's gonna pop my cherry till I'm on my wedding bed. That doesn't mean I don't like sex though, I've always got my fingers in my pussy! Once my boyfriend even caught me, can you believe it? Talk about embarrassing, I was dying. But he loved it; he grabbed one of my dildos, stuck it up my cunt and started talking dirty. Stuff like, "What if this was my dick, baby?" It made me so horny that my pussy got all greasy with my girl juices! Ew! But then, holy cow, he made me come! I totally never thought I'd be able to do that in front of him, but it felt so good I wanna do it again!

Addison Rose

Oh my God, I just love summer! Mainly

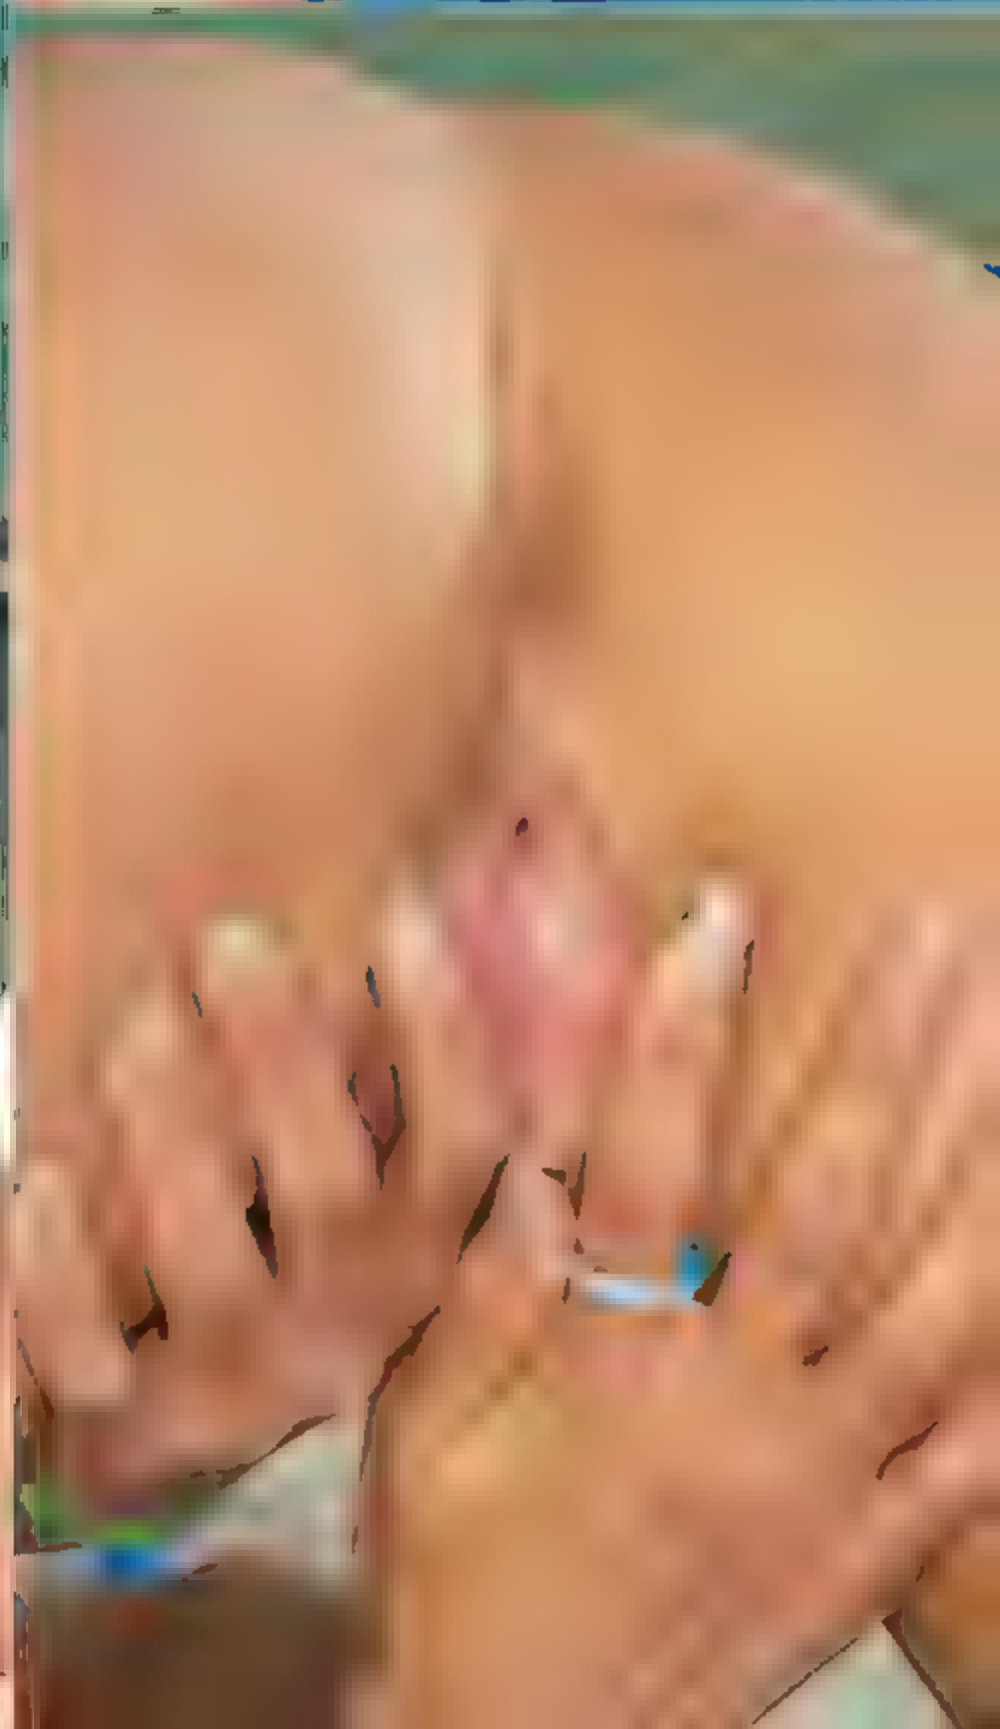

because it's so hot that it makes me hot, if you know what I mean. Like, just laying in the sun in my itty bitty bikini makes me all sweaty, especially my pussy! I know that's kind of gross, but I don't care, 'cause it makes me so wet that I just have to play with myself. Like, my clitty gets all juicy and slick with sweat and I can't help but rub it until it's swollen and quivery! And that makes me wicked horny so I have to stick my fingers up my hole, which always makes me come right away. I can even smell myself, all hot and sexy and naughty. See why I love summer now?

It's obvious
that Addison
loves her hot,
sweaty pussy!
But then again,
who wouldn't?

Can you be addicted to dick when you're only 18? I totally think I am, mainly because even when I masturbate with dildos and stuff, it's not enough—I always need more. So, as soon as my first boyfriend asked me to suck his cock—on our first date!—of course, I did. I'm so into dicks that I swear one of these days I'm going to let a guy put one up my ass, too!

STARRING: Nataly, Brenda, Liliane, Alisson, Sonia

DIRECTED BY: Denys DeFrancesco

AVAILABLE FROM: Swank Digital

RUNNING TIME: 110 Minutes

Yummy, yummy, yummy. These young cock chugging teens are way more than you can possibly handle alone. Thankfully we are here to help you through this. We're throwing down the gauntlet and challenging you to get through this entire movie without showering your fist with dick seed at least three times. Let's get it on!

Hottie blonde Liliane jumps on the bed and let's the camera capture all of her jiggling goodness. After a brief pillow fight with Kamil Klein, the red hot action begins. Liliane's juicy tits get sucked and she returns the favor by hoovering his cock like a true pro. Liliane mostly gets fucked from behind, which is fine with me, and she only pauses to do a little pussy-to-mouth. The blonde's tiny asshole gets reamed in doggie style and more as she flicks her clit in ecstasy. Following an ass-to-mouth blowjob Kamil cums all over her tongue ring.

Alisson's scene starts off with some great kissing and groping with Martin. Alisson gets her twat split open in a bunch of different ways. She rides his cock long and hard while playing with her clit. Alisson pauses every now and again to lick her pussy juice from his cock before reinserting him into her pussy. A

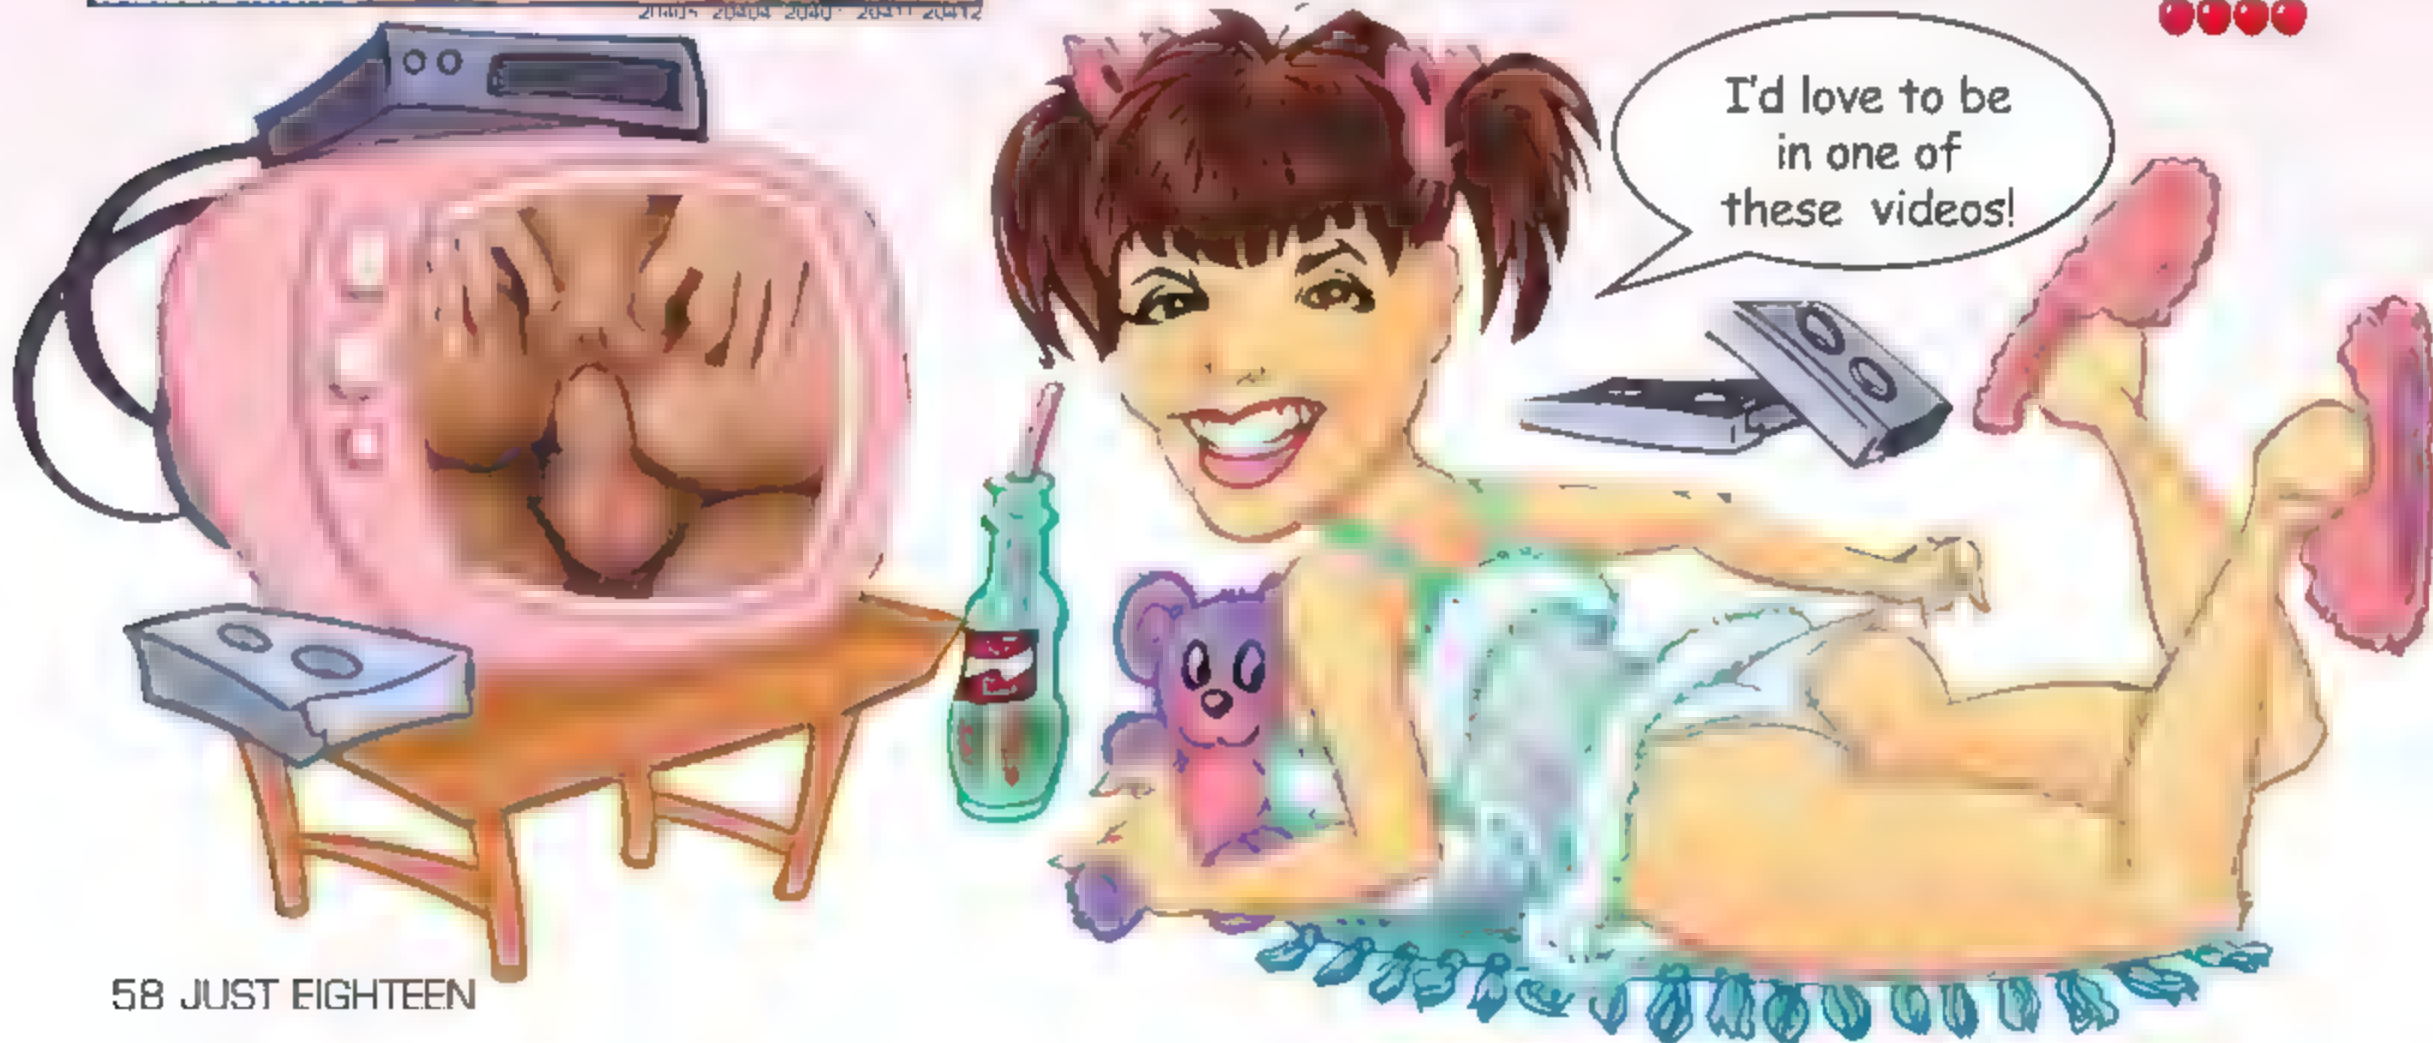

slow weak cumshot dribbles on to her chin and the skinny blonde cleans up the spent sperm with her cute mouth.

Sonia is awakened by Martin as he rubs her pussy through her panties and sucks on her little tits. The brunette is so turned on she rips off his shorts and jams his cock down her throat. The entire scene is fast and delicious, you'll have to jerk harder just to keep up. Not only is her pussy plunged and pounded her asshole is as well. Sonia closes her eyes and takes most of the cumshot directly onto her tongue.

Nataly and Frank M. start off with a hard liplock as her clothes get pulled off. These two work great together and you can feel the passion. Nataly fucks with a fierce passion and once again pauses only to do a pussy-to-mouth. Good girl! Nataly also gets ass fucked in this scene. Is there anything she can't do? Just to mix things up, Frank squeezes a nut off onto her ass and goes back for more anal plugging. Nataly does some deep ass-to-mouth sucking to cap the action.

Brenda wastes no time in pulling out Gery's cock and stroking him to fully erect. With her panties still on, Gery plows her slit. Brenda does some pussy-to-mouth before he does her ass. Brenda's bubble butt shakes as Gery pumps harder and harder up her butt. A final ass-to-mouth is followed by some thick shots of cum all over her tongue.

This Just 18 series keeps getting better. Grab it while you can! —Kelly

RATED T FOR TEEN 4

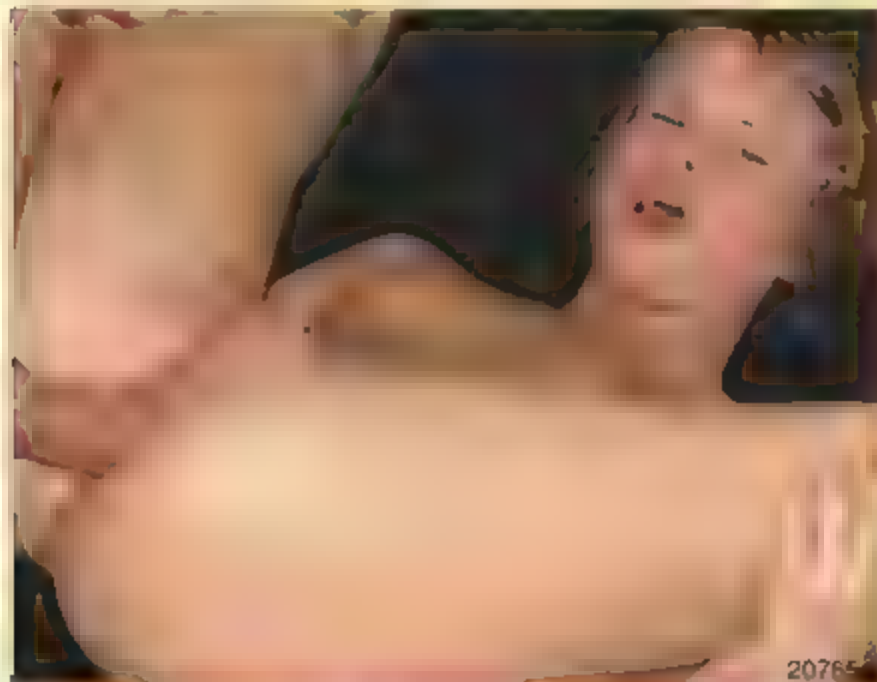

STARRING: Alec Knight, Alyssa West, Claire Robbins, Keanni Lei, Kelly Rose, Mark Wood, Victoria Sweet

DIRECTOR: Mark Wood

AVAILABLE FROM: Nxt Lvl

RUNNING TIME: 120 Minutes

Claire Robbins finds a box of DVD's in Mark Wood's garage. It's a box o'porn! Claire goes inside with her natural curiosity and asks Mark about them. Naturally he suggests they try out some of things she's seen and faster than a dropping zipper Claire is hovering his cock for all she is worth. After his cock is sufficiently coated with spit she hops on his lap for some cowgirl banging. The sex here is great as Mark pounds her cunt to a series of consecutive orgasms. Claire begs for some ass fucking and Mark is pleased to oblige. Claire is outrageous in this

scene, really taking control and giving as hard as she gets. Mark shoots his load into her open mouth and the filthy little cum slut licks up all the spunk.

Kelly Rose is a blonde in pink undies who looks a bit like Bridgette Kerkove. Homework proves dull to her so she starts finger banging herself on the floor. Mark sticks his tongue into her holes and really gets Kelly started up. These two fuck great on screen and Kelly keeps moaning and taking dirty the whole time. Kelly takes it up the ass in a piledriver and reverse piledriver positions. Kelly's asshole hangs open after Mark does her doggy style and in a reverse cowgirl anal. Kelly cleans up his cock with some ass-to-mouth before he explodes into her face.

Don't miss the final scene with Keanni Lei, it's a fucking scorcher! —Alyssa

Me too! My pussy's always ready!

Let's get the cameras rolling and the cum flying!

Intern of the month

I know that some girls just lie there when they have sex with a guy, but not me. I like to do all kinds of different positions, heck, I think I've done it every single way you can. And guys love it. Like, they think it's so hot when I get on my hands and knees and let them do me doggy style. Plus, it totally gets them off when they're on top and I put my legs on their shoulders and grab hold of their butt so that they can shove in harder. They start banging away and grunting and pretty soon they're shooting a big load up my pussy. They all say I'm the best lay ever, and it makes me so proud!

Guess what?! I just made the cheer-leading squad and I am so psyched! I've been trying for two years, but all those clique-y bitches kept me from getting in! But then, ha, this one girl broke her ankle and I finally made it! Now all the cute guys are going to want to go out with me! Not that I'm going to let them go all the way or anything, hey, I'm not easy like some of the other cheerleaders. But I can't wait to see what it feels like to make out with a guy and maybe I'll even let him feel up my tits. Okay, so maybe I'm a teensy bit easy, but I swear I'll only let him get to second base!

Second base?
No way! Some
